

# SMART SUBWOOFER

Filling every corner of the room with unparalleled audio quality, the Smart Subwoofer adds base to music streamed wirelessly by the NuBryte audio system without missing a beat.

Blending into the room décor, the Smart Subwoofer is simple to install, and doesn't require batteries, a transmitter or unnecessary wires leading to gadget clutter.

**Compact Yet Powerful**  
Sophisticated crossover delivers exceptional bass & top-end frequency response.

**Wi-Fi Streaming**  
Control with the NuBryte Automation system & add to Multi-Room groups.

**Clean Design**  
Clean lines and high grade materials combine for a timeless design.

**LED Accented**  
Color-changeable LED base lights up the resting surface beneath the sub.
